The Naylor Ditch Matter Re-opened.

The Naylor Drainage Ditch question which has been absorbing the attention of the county court for the past several years is now being brought to a head and a settlement affected so the ditch can be dug.

When county court met the last Monday in June a proposition was made to them by Mr. Sullivan that the Western Tie & Timber Co., would withdraw their injunction suit pending in the Supreme court at Jefferson City if the county would pay the costs, and the court agreed to it, and the attorney then wanted the county to re-assess the damages, claiming that their land was assessed higher than other land, this the court refused to do; whereupon Mr. Sullivan informed the court that he had no instructions to go further, but on his return to St. Louis he consulted the officers and ascertained their views and wrote the court.

On Monday Presiding Judge Pulliam received a letter from Mr. Sullivan withdrawing their second proposition and agreeing to withdraw the suit if the county would pay the expenses, about \$200. Mr. Sullivan will be here at the August term of court and to gether with Thos. F. Lane will formerly withdraw the injunction suit.

When this is done the court will then make arrangements to float the bond issue of \$35,000 with which they will build the ditch, and they have hope to have the contract let by fall and the dirt flying "a la Panama" by winter.

But on arrival at Fairdeal Mitchiner, who was under bond, was not present and the case was postponed until July 20th.

The trouble between Mitchiner and Rodgers was over family troubles and was of some duration. Mitchiner and his wife had separated some time ago, and he had gone to Rodgers house to see her when the trouble came up. Mitchiner was arrested by the constable and brought to town and put under bond.

Rodgers wounds were not of a serious nature, as he was at work last Saturday when the lawyers were there to hold the preliminary.

Kids Win From Maroons.

Wednesday afternoon the kids and maroons, the two local aggregations of ball players, played a game of ball which resulted in a victory for the kids by the score of six to five.

Both teams played fast ball, but Doc Richmond the young south paw couldn't handle the kids with any satisfaction, losing the game in the eighth.

The maroons started off in the second like the game would be theirs, but after that inning they made only two runs.

Fulbright pitched "sensational" ball and had the maroons guessing all during the game, the youngsters giving him good support.

The feature of the game were Taylor's running catch, J. Richmond's work on second, Proctor's fast work on short, J. Wright's excellent batting and E. Wright's base running.

The score by innings was as follows:
1 2 3 4 5 6 7 8 9 — R. H. E.
Maroons 0 3 0 0 1 0 1 0 — 5 4 4
Kids 0 0 1 0 0 0 0 5 — 6 10 3

NOTES.

Three base hits Fulbright; two base hits C. Richmond, O'Neil, J. Wright.

Proctor, Ramsey; struck out by Fulbright, 12, Richmond 5; base on balls, off Fulbright, one, Richmond one; hit by pitched ball Moore and Fulbright. Time of game two hours. Umpire Jim Fulbright.
